

Hope in Hard Places

2017 STRATEGIC PLAN

We are a Christian nonprofit committed to ending the global water and sanitation crisis.

And we won't stop working until every child has safe water.

WHY LIFEWATER?

1 BIBLICAL WORLDVIEW
We see people and poverty through the lens of God's love.

4 SUSTAINABILITY
Lasting change requires investment from everyone in the community.

2 REMOTE LOCATIONS
We serve in hard-to-reach places where the most vulnerable live.

5 IMPACT DATA
Real-time data from the field helps us track success.

3 WASH FOCUS
We go beyond clean water, providing sanitation and hygiene training.

6 APPROPRIATE WATER TECHNOLOGY
We use simple technologies that can be managed by local leaders.

2017 STRATEGIC OBJECTIVES

Of the more than 663 million people still living without safe water, most live in rural, hard-to-reach places within the 10/40 Window. As we look to ending the world water crisis in our lifetime, we'll need to go further and deeper than ever before.

Increase capacity to serve 100,000 people per year by 2019

Expand reach in Southeast Asia with new program in Laos

Deploy drill rig to serve 100,000+ people in rural Ethiopia

Monitor water source sustainability with real-time data

Invest in staff spiritual formation and leadership development
