HOW IT WORKS

The Climb for Clean Water is a unique way to raise awareness and funds for safe water. Each climber (or household, if more than one climber per family) commits to raising \$6,000 to fund a small village. This is separate from the cost of the climb, which must be covered by the climber(s).

COST FOR THE CLIMB

- \$3,000 Flat Fee for Climb Kili (\$350 deposit to secure spot). See what's included on next page.
- \$2,000 (est) Airfare/Travel Agent
- Tanzanian Visa: \$100 (paid upon arrival to Tanzania)

Est. Total Cost to Climb: \$5,100

If you would like to participate in the 2-Day Safari, an additional **\$750 fee** applies.

EARLY BIRD DISCOUNT AND RECRUITING CREDIT

- \$200 discount if you make deposit and submit all forms by October 31, 2018
- \$150 discount if you make deposit and submit all forms by December 31, 2018
- \$100 discount if you make deposit and submit all forms by January 31, 2019
- \$50 discount if you make deposit and submit all forms by February 28, 2019
- **Recruiting Credit:** For every person you are responsible for recruiting to the team, you will receive \$150 off your flat fee. Your name must be stated as the recruiter in writing when a new climber fills and submits forms. Discounts will be applied upon payment in full from recruited climber.

FUNDRAISING COMMITMENT

As noted above, each climber/household commits to raise funds for 1 small village (USD \$6,000). Lifewater will help you with fundraising, including providing a personalized website, but ultimately, the responsibility to fund a well is yours. You will be required to complete a Fundraising Agreement to participate in the expedition.

Fundraising Commitment: \$6,000

ABOUT THE CLIMB

We will be climbing the 7-day Machame Route to the top of Mt. Kilimanjaro. Lifewater has partnered with Climb Kili, a respected Kilimanjaro tour operator based in Tanzania.
