Bringing Safe Water to the World

Every 60 seconds a child dies from preventable water-borne diseases.

Lifewater is a San Luis Obispo faith-based nonprofit working to end the global water and sanitation crisis. Together, we can bring lasting change to the world's poor: house by house, village by village.

40 YEARS

45 COUNTRIES SERVED

Outpour: A Night for Clean Water is the premier faith-based charity event on the Central Coast. With three years of sold-out attendance, it is an excellent opportunity for your business to connect with 400+ attendees while supporting a great cause.

Last year's event raised over \$215,000 and brought clean water, improved sanitation and hygiene, and hope to 13 villages in rural Ethiopia.

All proceeds from Outpour: A Night for Clean Water 2019 will bring hope to 10 villages in rural Uganda that are in desperate need of clean water.
