FUNDRAISING AGREEMENT

WHEELS4WATER CAMBODIA 2020: RIDE FOR CLEAN WATER

As part of your participation in the Wheels4Water: Cambodia ride in 2020, you are committing to raise enough money for one village (USD \$10,000) that will provide up to 200 vulnerable children and families with safe water. This is in addition to the costs for travel (flights, etc.) and outfitting (paid to Grasshopper Tours). You can contribute this amount (\$10,000 or more) yourself or you can fundraise among your family, friends, and coworkers.

We have found that including others in your fundraising commitment is a very rewarding and community-building experience, and we encourage you to let others know what you're doing! Lifewater will help you through the fundraising process and provide a personalized fundraising website where you can track online donations and send emails to supporters. We are also available to provide more ideas and support for fundraising along the way.

Ultimately, however, the commitment and responsibility is yours. This commitment helps us plan with confidence for the villages we serve and ensure meaningful engagement from each participant in the expedition. You will be required to provide a credit or debit card, and it will be automatically charged the difference between the funds raised and \$10,000. (The final amount raised will be established on February 17th, 2020, and the account charged, if necessary, shortly thereafter.)

Until January 10th, 2020, if you decide to withdraw from the expedition, you can do so without having the obligation to reach your fundraising commitment. The funds you have raised will still go directly to the mission and you can always join us again in the future.

I, _____, understand I am committing to raise \$10,000 (per household), and by participating in the expedition, I give Lifewater, Inc. Permission to charge the account listed below the difference between what I am able to raise and \$10,000 any time after February 17th, 2020. If participant is under 18, his/her parent must sign below.
